STAVE ARRIVE. ail & passeng'r train, r'ally 4:00 p.m. 10:00 a.m. FINANCIAL. While our banks are receiving a slightly increased call for money, a call that will gradually increase as September approaches, it has not yet been sufficient to materially affect their plentiful funds which are, in the case of some banks, many thousand dollars above what was held at this time last year. Exchange quoted at par buying and 14 cemb pramium selling on New York; on other firm. The castern cities par buying, and 14 premium as follows: seiling for both demand and sight; on New Orleans, 1 discount buying; selling at par. The following were the rates of exchange on New York, on Saturday, at the undermentioned cities: Savannah-buying 4, selling 14 premium; Charleston firm, 3-16@ 14 preminn; St. Louis, 90 premium; New Orleans, commercial 5 16, bank 14; Chicago, 60 pre-raum; and Boston par to 12½ premium Also the rate of silver was unchanged—52¼ @52%d per cance. At the New York price bullion value of the new silver dollar \$0.8894 gold." The St. Louis Republican, of Monday, says: "The supply of funds has all the week been largely in excess of requirements, and of course borrowing rates for money ruled easy for good names." In the local stock market there was the usual dullness, 10 shares of Picenix insurance stock sold at 50. It was removed that a large owner of street railroad stock has transferred his interest to a colton press owner. 87-\(\pi\)38-87-\(\pi\)38-40-\(\pi\)45-70-\(\pi\)75-75-\(\pi\)80-70-\(\pi\)-93-@95 #94 - 95 #96-PBY TELEGRAPH.? 190%; New York sight, M premium. Our friend of the St. Louis Evening Post got mad with us about something, and takes revenge by crediting the result of our hard labors to other papers. All right; as soon as he thinks he has made even on us, we hope he will render unto Cæsar, etc.

The tug Ida, which left here several days since for New Orleans with the Little Condor's tow of two stave-boats and four coal barges, sunk a barge of coal on the bar just below Grand Gulf. The barge contained eight thousand five hundred bushels of coal. The Golden Rule arrived from below early

charged a lot of sait and sundries, and lay here till in the night cleaning out her boilers, when she continued her voyage to the The St. Louis and New Orleans Anchor liner, John A. Scudder, Captain A. J. Carter, passes up for St. Louis at five o'clock thi evening. Travelers northward will find the Scudder elegantly appointed for comfort and safety. Chief-Clerk Baker will do the agree-Captain W. C. Gray was overcome by the heat on the Iron Mountain, at Carondelet,

Saturday last, and came near losing his life He was discovered by Captain J. H. Dunlap, sitting on the boiler deck, in an unconsci condition, who applied ice water to his head and face when he soon revived. A slight wriggling of the leaves on th tree-tops in Court square yesterday indicated the presence of gentle zephyrs, but they were o gentle to be more than hardly perceptible on the burning brow of the ubiquitous river reporter of the APPEAL A few more jerks at the zephyr propelling machine would be appreciated by this specimen of suffering humanity. Shake 'er up, sergeant. The popular Coahoma takes her regular departure for the lewer bends at the usual nour this evening. Captain Stack Lee keeps her head toward the wind so as to keep all aboard cool and comfortable, and Ed Thomas keeps a good supply of palm-leaf fans on hand for the accommodation of passengers. The cooler is always full of big chunks of ice. Let's all go on a short excursion.

The Marlin Speed, building at Pittsburg for the Arkansas river, is nearly ready to be

Hicks left yesterday to take their places on her, and Captain Nowland will probably leave Pittsburg with the Marlin Speed next Saturday. When she arrives we will inspect her and see if she has been put up according to our architectural ideas and make re; ort. The West Wind, the upper-bend mail pack-et, beats clock-work all hollow in point of regularity. Captain Andrews's rule in life is ounctuality, and in the observance of this rule he hews to the line. Shippers to the upper bends will find the West Wind on erth to leave at five o'clock this evening for all points as far as Johnson's landing. Cyrus Fay, the chief clerk, desires shippers to send down their favors early, so that she may get away on time.

brought to Memphis. Engineers Short and

Cincinnati Times, Monday: "We noticed, a few days since, a contemplated project to build one of the fastest boats that ever turned a wheel in the west to make two trips to New Orleans and return per month. We have been favored with some particulars in regard to her dimensions, etc., viz; length, 320 feet; beam, 44 feet; depth of hold, 7½ feet; four engines, with cylinders 30 inches in diameter, 8 feet 2 inches stroke, on each a crank working at right angles with the other, one aft and the other forward. She will have an ample battery of steel boilers, etc.; full cabin, with dining and breakfast-rooms, one on either side of the main cabin, between the wheelhouses, so that meals can be served a

Restful Nights, Days Free from Torture Await the rheumatic sufferer who resorts to Hostetter's Stomach Bitters. That this benignant cordia and depurent is a far more reliable remedy than colbleum and other poisons used to expel the rheumatic virus from the blood, is a fact that experience has satisfactorily demonstrated. It also enjoys the advantage of being, unlike them, perfectly safe. 7:00 a.m. 29.89 95 N.W. — Fair. 19:00 p.m. 29.89 95 N.W. — Fair. 29:00 p.m. 29.90 86 S. — Clear.

ORDINANCES.

AN ORDINANCE to amend Sub-Section 55 of Section 226, City Digest.

SECTION 1. Be it ordained by the General Council of the city of Memphis, That Sub-section 55 Section 226, be so amended as to read after the words "Odorless Excavating Company," as follows: And all other persons and companies doing the same kind of business shall be required to pay tax or license of one hundred dollars for the privilege and use of the dump at the foot of Ciay street and its water privileges, per annum; and on payment of said license said company or companies shall be exempt from the several tax on wagous used for the pursose. Purpose.
Passed second and final reading by General Council, June 21, 1878.
A true copy: Charteke Belcher, City Begister. AN ORDINANCE creating a "Supply Committee" AN ORDINANCE creating a "Supply Committee" for the Purchase of supplies, etc., for the city.

WHEREAS, The fabulous prices now paid for every article used by the city is not only unjust and totally destructive to the well being of any corporation; and whereas, much of this enormous onliny might be curtailed by a thorough system of purchasing by contract; and whereas, the different heads of the various departments are not always presumed to be familiar with prices of commodities in their various departments, and consequently are compelled to be at the mercy of those from whom they purchase; therefore, therefore,
Section 1. Be it ordained by the General Counce
of the city of Memphis, That all supplies, repairs
or articles of any kind used in the various departments, shall be purchased or repaired as hereinafter
provided.

A. B. MILES, M.D., Lemonstrator of Anatomy.
